

SEGA MATH ACADEMY

Online Mathematics Classes for SAT, AP Calculus AB/BC, Mathcounts, AMC 8/10/12, AIME, USA(JMO)

LUCIAN SEGA, Director

- *Ph.D. in Mathematics* (2005), *Purdue University*; *B.S. in Mathematics* (1997), *University of Bucharest, Romania*.
- Former Head of EPGY Secondary Mathematics, *Stanford University*.
- Taught math competition classes and summer institutes/camps at *Stanford University*, *Accord Institute for Education Research, Communication Academy*, and *San Jose Math Circle*.
- Extensive experience with computer-based instruction, distance-learning, virtual classrooms, mathematics circles, contest training, and math enrichment activities.

learning, virtual classrooms, mathematics circles, contest training, and math enrichment activities.

- Former math Olympiad participant and winner of several competitions in Romania.
- Over 17 years experience in training US students for regional and national mathematics contests; coached several USAJMO and USAMO participants.

ONLINE MATH CLASSES:

- Mathcounts, AMC 8/10/12, AIME, USAJMO, and USAMO, and other regional, national, and international contests.
- SAT Math, AP Calculus AB/BC.
- Algebra II, Precalculus, Trigonometry, Geometry, Multivariable Calculus, Linear Algebra, and Differential Equations.
- Online live-streaming classes with audio/video and whiteboard capabilities.
- No pre-recorded material. All classes are live.
- Small size classes allow for a close interaction between students and instructor.
- No additional software needed.
- All sessions are recorded and available for playback at a later time.
- Flexible times. No need to travel anywhere for class.

Fall 2013 Schedule of Classes

(1) SAT Math Preparation Course – Wednesdays, 3:30-4:45

Sessions on: 9/4, 9/11, 9/18, 9/25, 10/2, 10/9, 10/16, 10/23

(2) AMC 8 Preparation Course I - Mondays, 1:00 – 2:30 pm

Sessions on: 9/30, 10/7, 10/14, 10/21, 10/28, 11/4, 11/11, 11/18

(3) AMC 8 Preparation Course II - Mondays, 4:00 – 5:30 pm

Sessions on: 9/30, 10/7, 10/14, 10/21, 10/28, 11/4, 11/11, 11/18

(4) AMC 8 Preparation Course III – Thursdays, 6:00-7:30 pm

Sessions on: 9/26, 10/3, 10/10, 10/17, 10/24, 10/31, 11/7, 11/14

(5) AMC 10 Preparation Course I – Tuesdays, 6:00-7:30 pm

Sessions on: 10/8, 10/15, 10/22, 10/29, 11/5, 11/12

(6) AMC 10 Preparation Course II – Sundays, 10:00-11:30 am

Sessions on: 10/6, 10/13, 10/20, 10/27, 11/3, 11/10

(7) AMC 10 Preparation Course III – Tuesdays, 12:45-2:15 pm

Sessions on: 10/8, 10/15, 10/22, 10/29, 11/5, 11/12

(8) AMC 12 Preparation Course – Fridays, 6:00-7:30 pm

Sessions on: 10/4, 10/11, 10/18, 10/25, 11/1, 11/8

(9) AIME Preparation Course – Saturdays, 6:00-7:30 pm

Sessions on: 9/14, 9/28, 10/12, 10/26, 11/9, 11/23

(10) USAMO/USAJMO Series – The Pigeonhole Principle – Tuesdays, 6:00-7:30 pm

Sessions on: 9/10, 9/17, 10/1

(11) Middle School Math Enrichment Program (Coming Soon)

(12) The Online Math Circle – Fridays, 6-7 pm

Sessions on: 9/20 (The Fibonacci Sequence), 11/15 (Mathematical Induction), 12/13 (Bases of Numeration)
